## WELCOME

Old Hickory Bar B-Q Machines, Inc., based in North Bergen, New Jersey, has been manufacturing rotisserie ovens and specialty commercial cooking equipment for the foodservice industry since 1946. We have more than **15,000** installations in over **80** countries worldwide.

Old Hickory built its reputation on our family of rotisserie ovens. Our technologically advanced ceramics and engineering expertise, coupled with our high quality construction techniques and attention to detail, are typical of all of our products and relied upon by our loyal customers. Our product offerings have grown since inception and Old Hickory now also designs, engineers and manufactures a line of specialty commercial cooking equipment in addition to our oven offerings.

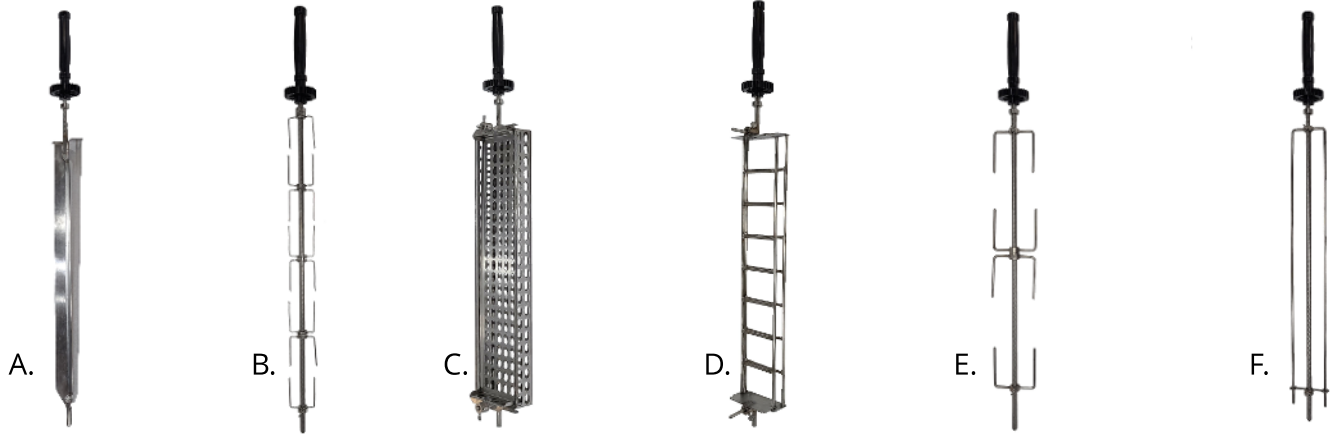

## ORDERING ACCESSORIES

Old Hickory recommends purchasing your complete equipment package from a Foodservice Equipment Dealer, including tools and accessories. We want to ensure that you are choosing the right tool or accessory for your particular application. If you are not already working with a dealer, please contact the Old Hickory corporate office by visiting us online at [hickorybbq.com/pages/contact-us](http://hickorybbq.com/pages/contact-us) or by calling us at 201.223.0050.

For added convenience, customers can shop for replacement oven tools by visiting "Shop Parts: Old Hickory" online at [hickorybbq.com](http://hickorybbq.com). For service-related replacement parts, please call the Wood Stone Service Department at 201.223.0050.

## OVEN TOOLS

Old Hickory's spits are designed to help you cook a variety of cuisines while still maintaining quality of product.

**A. Angle Spit HIC239:** About four average-sized birds can be loaded quickly with the help of chicken ties HIC5K-CT6 and a angle spit lock HICXXX.

**B. Regular spit complete HIC189:** made up of a metal rod and comes with two single skewers HIC186 and three double skewers HIC185 and ten thumb screws. This also holds about four average-sized birds and is convenient to load and unload.

**C. Basket spit HIC101:** this versatile spit allows for different cuisines including vegetables, ribs and wings. The adjustable top can be flipped over to allow for more space if cooking prime ribs or flipped inversely to tightly secure nuggets.

**D. Butterfly spit HICXXX:** allowing for the perfect spatch-cock chicken, the butterfly spit gives the operator an easier time and fully immerses the birds into the heat.

**E. Turkey spit HICXXX:** switching

# Spare Parts Kits Catalog

## CONTINUOUS

Since Old Hickory Ovens anchor most cook-lines, the Spare Parts Kit can play an important supporting role minimizing down time. The sturdy metal 6 x 6 x 4 inch deep box conveniently stores underneath the oven, containing a Gas Control Smart

Valve, a Pilot Igniter and a Pilot Igniter Gasket . These common replacement parts are appropriate for all Wood Stone oven models (specify gas type when ordering). For less than the cost of an extended warranty, the
